## Who should clear abandoned vehicles? Should we complain to Traffic Police or Civil Police, residents ask

*Maruti Temple Road, Kuvempu Park*

*Jayanagar 14th Cross*

*Jayanagar 1st Cross*

*Shivaji Road, N.R. Mohalla*

Mysuru, July 16 (MK&KS)- Defunct (scrap) vehicles parked on roadsides for years are marring the city's beauty and causing concern among residents about their potential use for illegal activities. Residents are uncertain whether to lodge complaints with the Traffic Police or Civil Police to get these vehicles removed.

Mysuru city, already struggling with solid waste management issues, stray animals on roads, and pothole-ridden streets, now faces another significant problem: Scrap vehicles permanently parked on roadsides. This situation has led residents to suspect that some defunct vehicles might be stolen.

These abandoned vehicles, including cars, trucks and other four-wheelers, can be seen on roadsides and footpaths, particularly on Shivaji Road in N.R. Mohalla and other prominent streets in the city. They also clutter narrow cross streets, making it difficult for other motorists to navigate. Ironically, the owners of most of these vehicles are unknown.

(See CAR on page 7)

"It poses a public risk and can lead to accidents. These are unclaimed vehicles, and despite issuing notices to owners, they do not come to claim them as they are considered scrap. Some of these vehicles have been involved in accidents and have ongoing legal cases. We need to seek Court permission to remove such vehicles, and sometimes the process is prolonged and tedious. There are established procedures even for removing these vehicles from the road and dumping them in vacant places. I will consult with the traffic Police Officers on what can be done to at least remove the hazardous vehicles from the roads."

**— Seema Latkar, City Police Commissioner**

## City has a drink & driving problem?

# 50 of 88 accident deaths in past six months due to drunk driving

Mysuru, July 16 (RK&BCT)- From January 2024 to date, 88 deaths have occurred in road accidents within Mysuru city limits, with 50 of those fatalities involving individuals who were driving under the influence of alcohol.

Among the 50 alcohol-related deaths, a significant number were self-accidents where drivers crashed their vehicles into road medians, walls and pillars. Of the 88 total deaths, eight involved double fatalities — two people in the same vehicle — and one incident where three individuals were killed in a single vehicle.

These details were disclosed during a meeting with Additional Director General of Police (ADGP) Alok Kumar (Traffic and Road Safety), who recently visited the V.V. Puram Police Station to assess road safety issues.

(See DRUNK DRIVING on page 7)

Hazarath Moulana Qari Mohammed Javeed Hussain Jamali Razvi, Imam of Masjid-e-Azam, will be the main speaker. The programme will conclude with Fatha Khawani, dua and Darud Salam.

**At Umere-e-Mehzaar Darga:** Zikre Shadath Imam-o-Hussain and Youme-Ashura-Dua celebrations, organised under the supervision of Hazarath Mohammed Syed Sha Altaf Peeran Khadree Shattari, Sajjad Nasheen of Hazarath Syed Sha Mohd. Umere-e-Mehzaar Darga, Bada Makan, Tipu Circle, will be held tomorrow.

While Zikre Shadath Imam-o-Hussain will be held after Asar Salath at 5.30 pm to 7 pm, Youme, the 10th day of Ashura, Dua, Darud-o-Salam and Maghrib Salath will be performed after Fatha Khawni at 5.30 pm. Food and juice will be distributed to all participants at 7.15 pm.

Devotees of Ahiqan Imam Ali-o-Mahqam-Ahle-Bait-o-Athar Rizwan Allaha are urged to participate in large numbers. For details, contact Mob: 78927-33917.

## EDITOR'S BOTTOMLINE

***In seeking the sought, the seeker denies that the sought is already there and acknowledges that what is already there isn't what is sought. The Raj Yogi follows an elaborate regimen to steer clear of bodily and mental distractions before he can expect to attain his goal of union with the absolute, the Brahmn. The stage is set through the practice of the five yamas and niyamas. Specific asanas help achieve a posture that is neither cosy nor unbearable. Breathing techniques help slow and harmonise breathing so the rushing air doesn't constitute a distraction. The senses are closed, and concentration is locked on an object to restrain the ever-tossing and turning mind. Only when these are met can the yogi experience the pure, undifferentiated Brahmn. But what about the multitudes who falter along the difficult road? What about those who fail to distil the undifferentiated Brahmn from the differential maya?***

***We naturally tend to resist and oppose thoughts, feelings, and occurrences that we detest. This resistance often leads to frustration, making things worse. Opposing and resisting intrusive thoughts and feelings only makes them stronger. What is the way out? It goes by a simple mantra: "Control what you do, accept what you feel." Anxious thoughts have just one goal: perpetuating anxiety and making you even more anxious. Negative thoughts aim to instil disquietude and pessimism. Acceptance defangs them, leaving them no choice but to starve and succumb. The accepting mind lets thoughts and feelings come as they do and lets them be.***

***Acceptance is the most powerful arrow in the faltering yogi's quiver. How do we practice acceptance? By recognising and clinging to the thread of consciousness that binds everything, to the omnipresent beingness that straddles all that is and isn't. The yogi must never be tricked into believing, in true sense, that their distractions are alien to Brahmn. That maya, being limited, is antithetical to Brahmn. Or that Brahmn is reached by distilling off the differential maya. For what becomes of Brahmn if there's anything apart from Brahmn? What is Brahmn but consciousness, the ultimate reality, and what becomes of the ultimate reality if there's anything other than itself ? What limits the limited is nothing but Brahmn, as is what lies beyond the limited, and the limited itself...*** — *Soham Bhaduri in The Times of India*

## NEWS SPARKLERS

### Hippos can be airborne: Researchers

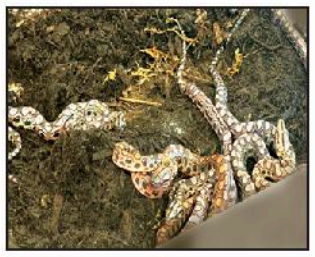
England: Hippopotamuses can become airborne for substantial periods of time, according to new research into the mammals.

Research by the Royal Veterinary College (RVC) found that the animals can be up in the air for up to 0.3 seconds at a time when moving fast.

As part of the research, it monitored video footage taken of two hippos moving around their paddock at Flamingo Land Resort in Yorkshire. Internet footage of hippos moving was also monitored, allowing the RVC to broaden scientific understanding of the species.

"We were pleasantly surprised to see how hippos get airborne when they move quickly - it's really impressive," Professor John Hutchinson, lead author of the study, said.

### 'Male' snake gives birth to 14 babies



Portsmouth: Ronaldo, the "male" snake, has given birth to 14 babies, shocking handlers. The 6ft (1.8m) Brazilian rainbow boa was declared male nine years ago by a vet. Since then "he" had had no contact with other snakes - spending the last two years in the City of Portsmouth College.

But, during a routine check, a student discovered Ronaldo had given birth to 14 baby snakes. "We couldn't believe our eyes. One of the students discovered them during a routine vivarium check. At first we thought she must have been mistaken," animal care technician Amanda McLeod said.

Peter Quinlan, reptile specialist at the college, explained that the birth came about due to the rare phenomenon of parthenogenesis. This is a natural form of asexual reproduction, where embryos develop without fertilisation.

## VOICE OF THE READER

### Mysuru-Bengaluru Highway

# Road safety at risk with many entry points

Sir,

With reference to the letter ***'Toll-free travel, thanks to many entry and exit points'*** published in *Star of Mysore* on July 12, I have raised similar concerns in my previous letters in July 2023 ('Direct entry to Expressway from service roads not safe') and August 2023 ('Concern over the safety of commuters on expressway'). These entry points could be exploited by highway robbers and used to avoid toll taxes.

Unfortunately, numerous entry and exit points still exist on this so-called access-controlled highway connecting Mysuru and Bengaluru. These numerous entry and exit points not only enable vehicle users to travel toll-free on an otherwise tolled road but also pose significant accident risks as vehicles are permitted to travel at speeds of 80-100 kmph on this highway.

Beyond the issue of toll evasion, there is a serious road safety risk, particularly when vehicles enter the highway from these points. If a vehicle enters from these points off the service road while another vehicle is travelling at 80-100 kmph in the extreme left lane, the risk of a collision is high.

Surprisingly, NHAI officials did not consider road safety while approving the many entry and exit points on this highway. Simply installing display boards before entry points is insufficient to mitigate the risk.

Also, these entry points allow two-and-three-wheelers, which are otherwise banned from entering the highway through toll gates, to access the highway. Additionally, similar to other highways, left-side overtaking is frequently seen on this highway due to slow-moving vehicles like lorries and buses occupying the extreme right-side lane. Hope, NHAI officials will address these issues to ensure safety of road users and prevent toll collection pilferage.

**—Dr. SVN Vijayendra, Ex-Traffic Warden, Mysuru**

# Embrace Elegance with the Nine Yards

Mysuru, July 16- Saree enthusiasts are in for a treat this season with *Impressionz* bringing **Vaishnavi Silks** at Hotel Southern Star in Mysuru on July 17 and 18.

This season explore a curated collection of drapes from across India, showcasing the excellence of Indian craftsmanship and diverse traditions; Gadwal sarees from Telangana, renowned for their lightweight weave, intricate Zari work, Kanchi borders and Kalamkari designs.

Indulge in a variety of regal Benaras Silks, Chiffons, Georgettes, Chinia Silks, Muga Sarees and Block Printed Tussar Silks, ensuring you stand out on any occasion. Discover distinctive sarees with antique zari on Benaras Silk, Khadi and Georgette, alongside vibrant Kanchipuram silks with traditional motifs. Vaishnavi Silks will showcase their new collection during the two-day expo at the boardroom of Southern Star from 11 am to 8 pm, where traditional splendour meets modern elegance.

# 'Gamaka Kaavya Vaachana' at Mysore Vasudevacharya's residence

Mysuru, July 16- Kumara Vyasa Gurukula, Mysuru, is organising a 'Gamaka Kaavya Vaachana' programme at the residence of Sangeetha Kalanidhi Mysore K. Vasudevacharya in city on July 17.

Vid. Krisnagiri Ramachandra will be singing Kumara Vyasa Bharata's 'Bhishma Bhakti' while Dr. Jyothi Shankar will give the 'vyakhyaana.'

The programme, dedicated to the memory of Venkatachalaiah and Rajalakshamma, is scheduled to begin at 10.30 am and is open to all.

**Profiles**

Gamaki K. Ramachandra, a Hydraulics engineer by profession, has been among the few in the State who have strived to conserve and promote the art form of Gamaka, a performing art that aims to convey the essence of traditional scholarly poetry to the common man through classical melodies and interpretation in a simple language.

*Vid. Ramachandra*

*Dr. Jyothi*

Ramachandra inherited the art from his father Krishna Rao and has been performing across the State and in overseas platforms, for over five decades. He has taught many aspiring Gamakis and has organised numerous programmes.

He has written many articles and has contributed to publications on Gamaka. He has been honoured with many awards, including the Karnataka Governments annual 'Kumaravyasa Award'.

Serving presently as a Professor at Karnataka State Open University, Dr. Jyothi Shankar has been well-known in Kannada literary field as a scholar par excellence. She has secured a D.Litt. for her work on 'Daasa Saahitya and Carnatic Music' and Ph.D for her work on 'Veerashaiva Poetry.' She has authored over 25 books and presented many series of lectures on AIR and at renowned platforms. She is also a visiting professor at the American Society for Indian Studies.

## NEWS BRIEFS

### Ban orders around exam centre

On account of the second year main exam of D.El.Ed (Diploma in Elementary Education) course to take place at Maharani's Teacher Training Institute located on N.S. Road in city from July 16 to 20, the city Police have issued prohibitory orders in 200 mts. radius around the centre from 6 am to 6 pm on all the five days of the exam, as per Section 163 of Bharatiya Nagarik Suraksha Sanhita. Accordingly, barring the examinees and exam officials, no unauthorised persons will be allowed entry to the exam centre. Also, carrying of objectionable articles around the centre is prohibited and all photo copy shops and cyber centres in the vicinity of the exam centre have been ordered to shut down during exam hours, according to a press release.

### Hadapada Appanna Jayanti on July 23

The District administration, in association with Kannada and Culture Department, will be celebrating Shivasharana Hadapada Appanna Jayanti at Kalamandira on Hunsur Road at 10 am on July 23. District Minister Dr. H.C. Mahadevappa will inaugurate the event in the presence of Chief Minister Siddaramaiah and Union Minister for Steel and Heavy Industries H.D. Kumaraswamy while Chamaraja MLA K. Harish Gowda will preside and Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar and Chamarajanagar MP Sunil Bose will be the Chief Guests, according to a press release.

### Budget in March, discussion in July

Starting 2025, the Government will present the budget in March with a vote-on-account. This will be followed by a discussion on department-wise demand for grants in July. Speaker U.T. Khader announced this after a meeting of the business advisory committee of the Assembly.

### Excels in Badminton

Ananya Lobo, a I PUC Commerce student of Trinity College, Mysuru, has secured Bronze Medal in the Girls Doubles category at the Under-19 Karnataka State Ranking Badminton Tournament which was held from June 24 to 29 at the Karnataka Badminton Association (KBA) in Bengaluru.

*Ananya Lobo*

# H.D. Kote's Malleshwara Gudda proposed as Reserved Forest

## 602.54 acres is a habitat for wild animals; also serves as grazing land for livestock

Mysuru, July 16 (MTY&BS)- In another conservation move, the Karnataka Forest Department has proposed to declare 602.54 acres of Malleshwara Gudda in H.D. Kote taluk as a Reserved Forest Area and has invited objections, if any, regarding this proposal.

This follows a similar decision to declare 216.23 acres of the Lingambudhi Lake Plantation area in Dattagalli, on the outskirts of Mysuru, as a Reserved Forest Area.

The process to declare various blocks under the Regional Forest attached to Malleshwara Gudda as a Reserve Forest has been launched. As a precursor, various blocks in Hampapura and Jayapura Hoblis in H.D. Kote taluk were declared forest areas under Section 6 of the Karnataka Forest Act.

Now, it is proposed to include 243.84 hectares (602.54 acres) of forest area under Survey Numbers 173 of Maddur, 3 and 3A of Chamalapura and 189 and 200 of Hosamala, under Section 5 of the Karnataka Forest Act. To handle objections, if any, a Forest Managerial Officer has been appointed by the Government.

Individuals with objections can submit relevant claims over the land along with supporting documents at the Office of the Forest Managerial Officer, Karnataka Soaps and Detergents Limited (KSDL) Compound, Dr. B.R. Ambedkar Main Road, behind the National Institute of Engineering (NIE) College, Ashokapuram, Mysuru-570008, either by post or in person by Aug. 22, 2024.

**A wildlife habitat**

The proposed forest area, coming under the Mysuru Regional Division of the Forest Department, serves as grazing land for the livestock of surrounding villages. It is also a habitat for wild animals, including deer, leopards, wild boars, rabbits, peacocks, civet cats and other wildlife.

The process to declare this area as a Reserve Forest will be conducted in two stages. First, the proposed forest area will be brought under Section 5. It will

then be officially declared a Reserve Forest after being included under Section 17.

Once the forest area under the current Regional Division is declared a Reserve Forest, stringent measures will be taken to protect forest resources. The cultivation of tree saplings will be undertaken on a large scale over the next 5 to 10 years. This will help increase humidity in the surrounding villages, address the scarcity of rainfall and improve the underground water table, facilitating agricultural activities.

# Generator battery stolen from Mysuru Court premises

Mysuru, July 16 (SBD&KS)- Thieves have made away with the battery of a generator at the new Court complex at Malalawadi in Jayanagar.

To prevent disruption in Court proceedings due to frequent power failures, an automatic generator fitted with a battery was installed. But about a week back, there was power disruption and the generator did not switch on automatically, following which the person who had installed the generator was contacted by the Court staff.

Soon, an electrician arrived and inspected the generator during which the theft of the battery came to light.

Following a complaint from the Chief Accounts Officer of Senior Civil Judge and CJM Court, Ashokapuram Police, who have registered a case, are investigating.

# House burgled at B.M. Sri Nagar

Mysuru, July 16 (SBD&KS)- Burglars have made away with gold ornaments and cash from a house in city.

The burglary took place at the house of Baburao on the 12th Cross of 1st Main Road at B.M. Sri Nagar here. The burglars have made away with gold ornaments worth Rs. 2.66 lakh and Rs. 62,000 cash.

On July 1, Baburao along with his wife Nagarathna Bai, went on a pilgrimage along with their relatives to Kashi, Ayodhya and other pilgrim places and returned on July 12.

When Baburao opened the lock of the front door, he found the second lock already opened. On entering and inspecting the house, he found the locker forcibly opened and gold ornaments and cash missing. He immediately lodged a complaint with jurisdictional Police on Sunday.

Metagalli Police, who have registered a case are investigating.

# Obituary

**Rukmini Singavi**

Mysuru, July 16 - Rukmini Singavi (70), wife of Dr. Tejraj P. Singavi and a resident of Ashoka Road, passed away yesterday following a heart attack in city.

She leaves behind a host of relatives and friends.

Her body will be donated to Adichunchanagiri Institute of Medical Sciences at Bellur in Mandya district.

**Srikantaraje Urs**

Srikantaraje Urs (85), retired employee of the Personal Section Department of the then Zilla Parishad and a resident of 788/50, Ramanuja Road 9th Cross, passed away last evening in city.

He leaves behind his wife Vinoda, four children, grand-children and a host of relatives and friends.

Last rites were held at the Ursu Burial Grounds, near the electric crematorium at the foot of Chamundi Hill this afternoon.

**Ningamma**

Ningamma (66), wife of M. Madegowda and a resident of Yaraganahalli, passed away on Sunday in city.

She leaves behind her husband, one son, three daughters and a host of relatives and friends.

Last rites were held at Yaraganahalli Burial Grounds on the same day.

**K. Mallanna**

**T. Narasipur:** K. Mallanna (80), a resident of Madavadi village in T. Narasipur taluk, passed away this morning at the village.

He is survived by his wife Basammanni, sons Mallikarjuna Swamy and Gangadhar, daughter Sarvamangala and a host of relatives and friends.

Last rites were held at the family's farm in Madavadi village today, according to family sources.

# 'Sorry. Dismissed'

## Setback for D.K. Shivakumar in Supreme Court over CBI case against him

New Delhi, July 16 (Agencies)- The Supreme Court yesterday dismissed Karnataka Deputy Chief Minister D.K. Shivakumar's plea to quash a case registered by the Central Bureau of Investigation (CBI) against him in a disproportionate assets case.

A bench of Justices Bela M. Trivedi and S.C. Sharma said it was not inclined to interfere with the Karnataka High Court order. "Sorry. Dismissed," the bench said.

Reacting to the development, Shivakumar said, "All of the scams have been created by the Bharatiya Janata Party. The BJP tenure is the father of scams which is why they have been thrown out by people. Now, we are trying to clean up everything. They aren't able to digest this since their names will come out."

The Supreme Court was hearing a petition filed by Shivakumar against the Oct. 19, 2023, order of Karnataka High Court which rejected his plea.

The High Court also directed the CBI to conclude the investigation and file the report within three months. The CBI has alleged that Shivakumar amassed assets disproportionate to his known sources of income between 2013 and 2018. He was a Minister in the previous Congress government during this period.

*D.K. Shivakumar*

**FIR on Sept. 3, 2020**

The FIR was filed by the CBI on Sept. 3, 2020. Shivakumar challenged the FIR in the High Court in 2021. The CBI has challenged the Congress government's decisions: One from Nov. 28, 2023, withdrawing consent for the agency to investigate Shivakumar's assets and another from Dec. 26, 2023, referring the matter to the Karnataka Lokayukta.

In addition to seeking to quash these decisions, the CBI has requested an interim stay on the two government orders.

Originally, the CBI case, along with a similar petition by BJP MLA Basanagouda Patil Yatnal, was brought before a single judge of High Court. However, on Jan. 5, 2024, judge referred the case to Chief Justice of Karnataka to assign it to a larger Bench due to the complex legal issues involved.

The CBI registered a disproportionate assets case against Shivakumar on Oct. 3, 2020, based on consent from the previous BJP government on Sept. 25, 2019, following a referral from the Directorate of Enforcement related to corruption charges that emerged after an Income Tax probe.

The Congress government, which replaced the BJP in Karnataka in May 2023, withdrew the consent given in 2019 after a Cabinet decision on Nov. 23, 2023. The Congress has argued that the case was referred to the CBI in 2019 even before an FIR was registered in 2020.

# Only CBI can unearth truth about MUDA site scam

## BJP State Spokesperson M.G. Mahesh alleges a cover-up to shield CM Siddaramaiah

Mysuru, July 16 (BLU&BCT)- Reiterating the BJP's demand for a Central Bureau of Investigation (CBI) probe into the multi-crore scams involving site allotment and alternative site distribution under 50:50 scheme, where top politicians are beneficiaries, BJP State Spokesperson M.G. Mahesh stated that only the CBI can do justice to the case.

He was speaking to reporters at the BJP Office in the city yesterday along with Media Convenor Maheshraje Urs.

Dismissing the four-member probe committee led by a senior IAS Officer, which is currently investigating the irregularities, and the Government-constituted one-man Judicial Commission headed by retired High Court Justice P.N. Desai, Mahesh alleged that these committees have been set up to shield Chief Minister Siddaramaiah and his Cabinet Ministers involved in the scam amounting to thousands of crores of rupees.

"There is documentary evidence proving that Siddaramaiah's wife Parvathi received 14 sites in upscale Vijayanagar in exchange for 3.16 acres of land that was falsely created in the name of a deceased person. The documents reveal the truth, showing that Siddaramaiah pressured top Mysuru district and MUDA officials to denotify the said land to benefit Parvathi. In this process, fabricated documents were created in the names of fictitious farmers and landowners," he alleged.

***BJP State Spokesperson M.G. Mahesh** (right) **addressing reporters at BJP Office in city.***

"In separate press conferences and statements, KPCC Spokesperson M. Lakshmana has tried to divert public attention from the real scam committed by Siddaramaiah. He has failed to provide clarity on the issue and has instead unsuccessfully tried to mislead the people, defending Siddaramaiah's wrongdoings," Mahesh added.

"Truth must come out regarding sites procured by CM's wife using fake documents for the land, and only a fair CBI investigation can unearth the scam. The current inquiry committee and one-man Judicial Commission are merely eyewash," he said.

# Mysuru East Residential Layouts Federation takes out rally

Mysuru, July 16 (RK&BS)- Demanding basic infrastructural facilities at the residential layouts in eastern part of the city, the residents took out a mammoth protest rally to new Deputy Commissioner's Office in Siddarthanagar on Monday.

Hundreds of residents of 20 residential layouts located in eastern part of city took part in rally that was flagged off from near Mymul Mega Dairy at Manasi Nagar, under the leadership of Mysuru East Residential Layouts Federation President A.M. Babu and submitted the memorandum to Additional Deputy Commissioner P. Shivaraju.

The protesters demanded basic amenities like supply of pure drinking water, cleanliness, underground drainage, electricity connection and park at the layouts. They also demanded Sewage Treatment Plant (STP) and to clear encroachment of Raja Kaluve to facilitate free flow of storm water.

The increase in number of KSRTC buses operated to the layouts, enhanced Police beat system, increase in green cover by planting saplings, library, Primary Health Centre (PHC) and identification of land for developing burial ground, were their other demands.

Federation Vice-President M.H. Cheluve Gowda, Secretary L. Prakash, Assistant Secretary M.L. Arun, Organisation Secretary Bommegowda, Assistant Organisation Secretary D. Krishne Gowda, Treasurer H. Narasimhe Gowda, Media Secretary H.S. Raghavendra Bhat and others took part.

# Protest in Bengaluru, pressing for CBI probe

Meanwhile, the BJP yesterday launched a protest march in Bengaluru in connection with irregularities in MUDA and Valmiki Tribal Welfare Board, allegedly involving Chief Minister Siddaramaiah, ahead of the commencement of the first day of the Monsoon Session of the Assembly.

BJP MLAs led by State President B.Y. Vijayendra and Leader of Opposition R. Ashoka, took out a protest march holding placards from Legislators' House to Vidhana Soudha. They demanded the resignation of CM and the handing over of the MUDA case to the CBI.

The protest march ended at Maharshi Valmiki statue in the premises of Vidhana Soudha. BJP leaders staged a protest after garlanding the statue. Vijayendra said BJP will not accept the one-man Judicial Commission to probe MUDA case.

"We will not accept it. MUDA scam should be handed over to CBI. The CM knows that if the case is handed over to the CBI he will face trouble. The Congress Government is enacting a drama in this regard and we will not let it happen," he stressed.

Ashoka said, "The Congress party has looted the land reserved for Dalits. Siddaramaiah has lost the moral right to continue in the post and he should resign immediately. The Government has gobbled up Rs. 187 crore of the Board. This is a Government of looters."

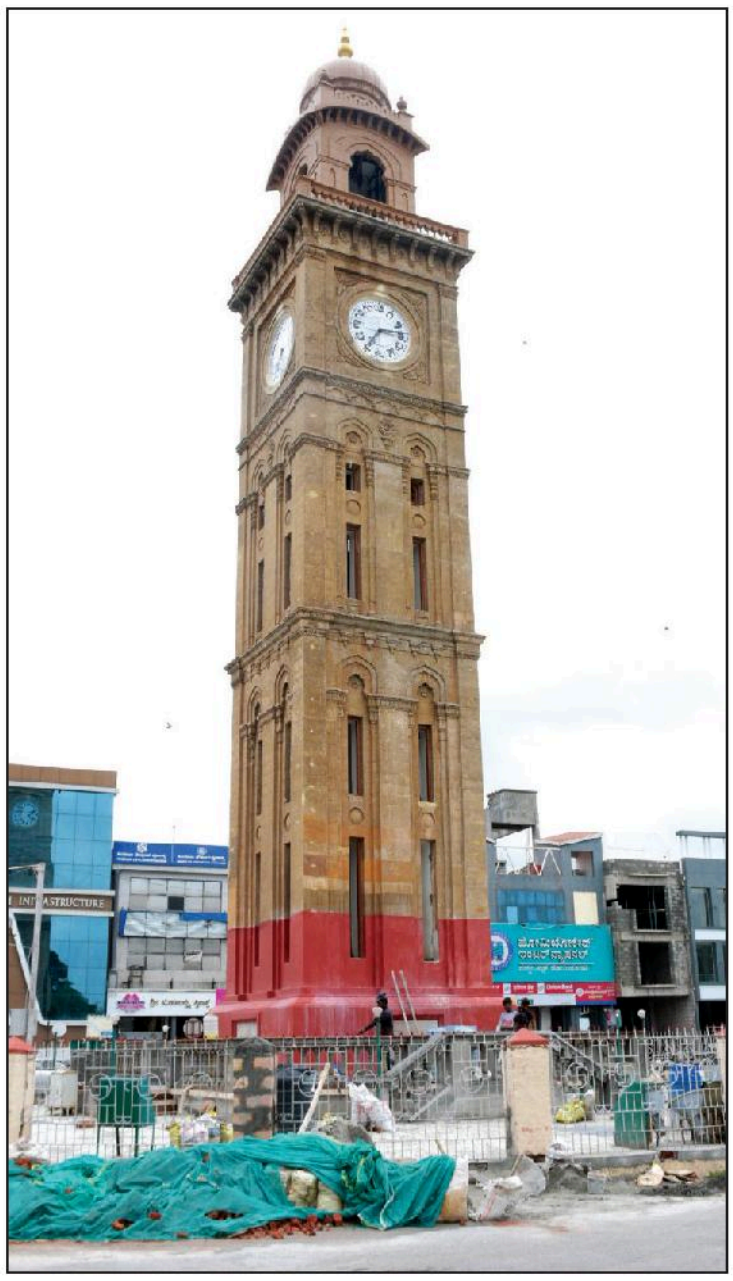
# New look Big Clock Tower to start ticking soon

## Ongoing restoration works at Rs. 42 lakh to be completed in 20 days, says Heritage Department Commissioner Devaraju

Mysuru, July 16 (MK&BS)- The restoration works of Big Clock Tower (Doddagadiyara) in the heart of the city has been almost completed, signalling to start ticking in the 97th year of its existence.

The 75-foot tall clock tower was built opposite Rangacharlu Memorial Town Hall, to commemorate the 25th year (silver jubilee) reign of the then king Nalwadi Krishnaraja Wadiyar and was inaugurated on Aug. 8, 1927. The round shaped clocks can be seen on all the four sides of the tower, with Kannada digits, embodying the pride of Kannada language.

It is said that, whenever the clocks chimed at every one hour, the sound could be heard till a distance of 5-km. As the years progressed, the clocks developed repair and from the year 1990 afterwards, the clocks stopped chiming, except for remaining functional.



A. Devaraju, Commissioner, Department of Archaeology, Museums and Heritage said "Restoration works were launched close to a year ago in August 2023 and are expected to be completed in 15 to 20 days, provided there is a respite from rains. The works were taken up at an estimated cost of Rs. 42 lakh sanctioned by Mysuru City Corporation (MCC) and were carried out without compromising on the heritage significance and adhering to regulations related to conservation of heritage structures.

*A. Devaraju*

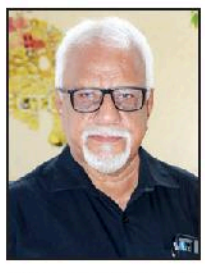
A mixture of lime mortar and sand from river banks have been used in the restoration works while M-sand is used to close the rat burrows dug by rodents. The same construction materials have been used in the ongoing restoration works of Postal Training Centre (PTC) building at Nazarbad in the city, added Devaraju.

He also clarified that the works have been executed in compliance with the suggestions of experts from Deccan Heritage Foundation (which is involved in the restoration works of Jayalakshmi Vilas Mansion in Manasagangothri) and also the heritage experts of the city. The windows, window frames, glasses, shutters and stones covering the surface of the platform have been conserved, using the equipment recommended by heritage experts.

The maintenance of the clock tower rests with the MCC, which is believed to have already entrusted the task to an individual, said Devaraju.

## Heritage expert points at loopholes

**"The restoration works have been not carried out in accordance with the plans. Had the burrows been closed with stone slabs, the lawns could have been developed, but M-sand is used in filling the burrows. The M-sand is also used to plaster the walls of the tower, that won't go well with the lime mortar used in vogue earlier. Despite raising these pertinent issues, the contractor didn't respond. The mortar should be prepared from a mixture of lime, sand, mara vajra, egg, jaggery syrup and antuvala kayi (soapnut). But the mixture of M-sand and cement are used in the works. The colour paint has been used to paint around the bell on the top. There were four domes around the bell and two among them were in deplorable condition. Instead of restoring them, they have been removed. Instead of involving those without expertise to carry out heritage related works, the Department of Archaeology, Museums and Heritage, should have executed the works on its own."**



**— Prof. N.S. Rangaraju, Heritage Expert**

# Farmers launch indefinite stir

## seeking fulfilment of demands

Mysuru, July 16 (BLU&DM)- Seeking fulfilment of their demands, farmers under the banner of Karnataka State Sugarcane Growers Association (headed by Hallikerehundi Bhagyaraj) launched an indefinite stir in front of the new Deputy Commissioner's office on Bannur road in Siddarthanagar here this morning.

The demands included stipulation of FRP (Fair and Remunerative Price) of Rs.4,000 per tonne for Sugarcane this year, unrestricted supply of sugarcane to factories as liked by the growers, declaration of a special package for Banana growers, re-introduction of Akrama-Sakrama scheme for farmers, continuous discharge of water in Kaveri-Kabini-Kapila river canals throughout the year, expedition of works concerning tank water feeder channels in Nanjangud taluk, restart of Sri Rama Sugar factory in K.R. Nagar taluk with proper agreement and Registration, restricting Banks from seizing tractors and other farm equipment in lieu of default in bank loan repayment, announcement of MSP price for all agricultural produces and farm loan waiver by the State and Central Governments, among others.

Earlier, over a hundred farmers from different parts of Mysuru-Chamarajanagar districts, who converged in front of Mahadeshwaraswamy temple on Bannur road in Nazarbad, marched in a procession to the DC office, raising slogans seeking fulfilment of their demands, what they claimed is just and fair.

As the farmers squatted on one side of the busy Bannur road, the Police paved the way for motorists to travel on the other half of the road by regulating traffic movement.

The Association President Hallikerehundi Bhagyaraj, office-bearers Somesh, Basavaraj, Dharanesh and others were present.

The farmers said that they would be submitting a memorandum to the DC in the afternoon and would continue their indefinite stir until their demands were met. However, they would withdraw the stir if the District Administration gives concrete assurance on fulfilment of their demands, they pointed out.

# MP led campaign to clean premises of heritage buildings

Mysuru, July 16 (MK&BS)- Under the leadership of Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar, Namma Mysore Foundation has organised Dry Waste Club Campaign, to clean the surroundings of heritage buildings in the city from tomorrow (July 17).

Heritage expert Prof. N.S. Rangaraju, retired professor, Department of Ancient History and Archaeology, University of Mysore, will flag off the campaign at Manasagangothri campus, at 7 am.

The surroundings of heritage buildings like Maharaja's College, Yuvaraja's College and Command Area Development Authority (CADA) Office will also be cleaned during the campaign.

College students to will take part in the campaign, stated a press release.

# 'Car garbage'

(Continued from page 1)

**Hazardous for two-wheeler riders**

Scrap vehicles parked on roadsides are dangerous to other motorists, especially during rains and at night, as low visibility can lead to crashes. This is particularly hazardous for two-wheeler riders, who risk serious injuries.

There are also concerns about two-wheeler thieves using stolen bikes for crimes such as chain snatchings and then abandoning the bikes on roadsides to flee with their loot. Additionally, these vehicles could be used to transport narcotic substances, according to public opinion.

Defunct vehicles become breeding grounds for disease during the monsoon, as stagnant water in these vehicles provides an ideal environment for mosquitoes. Furthermore, all kinds of garbage are dumped near these stationary vehicles, which rot during rains and emit foul odours.

As these vehicles remain stationary for years, bushes, weeds, and other plants overgrow, deterring garbage collectors from clearing the area due to fear of snakes and other reptiles that may have taken shelter among the bushes and abandoned vehicles.

**No action from Police**

Despite the Police seeing these defunct vehicles on roadsides for many years, they have failed to take action to remove them. Most of these vehicles, exposed to the elements, have rusted, and the Police have not bothered to collect the owners' details through the registration number plates. Residents told *Star of Mysore* that these abandoned scrap vehicles have become hiding spots for anti-social elements.

**No towing vehicle**

A resident of Shivaji Road said that a Scorpio vehicle had been parked right in front of his house for a year and had rusted. Despite calling the jurisdictional Narasimharaja Police and urging them to remove the vehicle two to three months ago, the Police claim they have requested a towing vehicle and will clear the vehicle once it arrives. However, the Police have not visited the spot even once.

"If it takes two to three months to clear one scrap vehicle, the Police will take at least a hundred years to clear the hundreds of such vehicles parked on roadsides and vacant plots across the city," the resident added.

**Who should clear scrap vehicles?**

Confused residents question whether it is the responsibility of the Traffic Police or the Civil Police to clear these defunct vehicles. They believe that complaints should be lodged with the Civil Police, who in turn will inform the Traffic Police to clear the vehicle. This confusion has led to scrap vehicles remaining on roadsides for years.

It is high time the Police take this issue seriously and clear these scrap vehicles from roadsides and vacant plots, which will benefit residents and help prevent illegal activities.

## Seized vehicles on footpaths

*Vehicles seized by Devaraja Traffic Police are parked on the footpath outside the Police Station since many months forcing pedestrians to walk on the road risking their lives.*

# Drunk driving

## Culpable homicide charges in April 14 accident where two young lives were lost

(Continued from page 1)

Meanwhile, the V.V. Puram Police have charge-sheeted a youth for driving under the influence of alcohol, resulting in the deaths of two young individuals, Ullas (22) and Shivani (21), on April 14.

Tragically, Ullas and Shivani lost their lives when a Hyundai Tucson SUV (KA-09-MH-1567), driven by Akash, a resident of Kuvempunagar and an employee of a private IT company in Bengaluru, collided with their two-wheeler near the All India Speech and Hearing (AIISH) Gate on Chaduranga Road in the early hours of April 14. A food delivery person, Mahadevaswamy, was also injured in the incident.

**Case of culpable homicide**

"Ullas and Shivani were killed when their bike was struck by a Hyundai car. As the driver was under the influence of alcohol, we have charge-sheeted him for culpable homicide not amounting to murder, which carries a maximum sentence of 10 years in prison," ADGP Alok Kumar tweeted.

On April 14, around 1 am, Ullas and Shivani parked their Honda Dio scooter (KA-55-V-6436) and were talking to each other

*Ullas and Shivani, victims of a drunk driver.*

near the AIISH Gate while Mahadevaswamy was riding his TVS Star City bike (KA-55-K-7616) along Chaduranga Road.

Suddenly, the SUV driven by Akash hit Mahadevaswamy's bike before colliding with the scooter, killing Ullas on the spot. While Mahadevaswamy sustained serious injuries, Shivani succumbed to her injuries en route to the hospital.

Ullas was the son of Shivaram and resided on Bogadi Road, while Shivani, originally from Kandassankadavu in Kerala, was a final-year BCA student at a private college and lived in a PG accommodation in Bogadi. She is survived by her parents, Biju and Savitha and siblings, Ashwathi and Arjun.

*Alok Kumar, Additional Director General of Police (ADGP) for Traffic and Road Safety, during his recent visit to VV Puram Traffic Police Station.*

# No bus fare hike for now: Transport Minister

Bengaluru, July 16 (KMS&DM)- A day after the Chairmen of two State Transport Corporations (KSRTC and NWKRTC) hinted at an imminent bus fare hike due to mounting losses, State Transport Minister Ramalinga Reddy has ruled out fare hike for now.

Speaking to presspersons before the start of the Monsoon Session of the State Legislature at Vidhana Soudha here yesterday, he said that the fare hike statements made by the heads of two State Transport Undertakings, is their personal one and there is no proposal before the Government regarding hike.

Only on Sunday, KSRTC Chairman S.R. Srinivas and NWKRTC Chairman Raju Kage had made separate statements indicating that bus fare hike was on the cards as the RTCs were running under loss due to hike in fuel prices, rising prices of spare parts and increasing operational costs. Now, the Transport Minister's statement has put to rest speculations on bus fare hike, which has come as a welcome relief for people who are feeling the heat over-soaring prices of essential commodities and rising inflation.

# Revised wages for Government employees from Aug. 1

Bengaluru, July 16 (KMS& DM)- Even as the State Government Employees Association threatened to launch an indefinite strike from July 29 seeking fulfilment of its demands, the Siddaramaiah Government on Monday decided to implement the recommendations of the 7th Pay Commission and the revised pay scale will come into effect from Aug.1.

The State Cabinet, which met here yesterday evening, gave consent for a 27 percent wage hike in accordance with the 7th Pay Commission recommendations.

The 7th Pay Commission chaired by former State Chief Secretary K. Sudhakar Rao had submitted its recommendations to the State Government on Mar. 16 this year, the day on which the 2024 LS poll schedule was announced. Now, with the LS polls over and the Model Code of Conduct coming to an end, the Government has taken the decision to hike wages with the Association submitting repeated representations to the Government seeking to implement 7th Pay Commission recommendations.

The 7th Pay Commission had recommended merger of 31 percent Dearness Allowance with basic pay scale and 27.50 percent fitment, among others. Taking note of the recommendations, the Siddaramaiah Government has decided to hike wages by 27 percent and the official announcement in this regard will be made during the ongoing Monsoon Session of the State Legislature, it is learnt.

# New office-bearers of Rotary Mysore

*The installation ceremony of new office-bearers of Rotary Mysore for the year 2024-25 was held at Hotel Pai Vista, Mysuru, recently in the presence of a galaxy of Rotarians and guests. Rtn. PDG. Dr. P. Narayana, RI. Dist. 3182, was the Installing Officer. Seen in the picture are (from left) Rtn. S. Nanjaraje Urs, International Service Director; Rtn. Dr. Arjun Sachidanand, Vocational Service Director; Rtn. Kiran Robert, Zonal Lieutenant; Rtn. M.N. Venkatesh, Vice-President; Rtn. D. Ravishankar, President-Elect; Rtn. Arun Belawadi, Imm. Past President, Rtn. PDG. Dr. P. Narayana, Installing Officer; Rtn. N. Praveen, President, Ann. T.S. Asha; Rtn. Chethan Vishwanath, Assistant Governor; Rtn. K.N. Suhas, Hon. Secretary; Rtn. M C S Manohara, Sergeant-at-Arms; Rtn. Goutham Salecha, Hon. Joint Secretary; Rtn. S. Ramachandra Raje Urs, Treasurer; Rtn. K.C. Ponnanna, Community Service Director; Rtn. V. Rakesh, Club Service Director and Rtn. Raghu M. Das, Youth Service Director.*

# Rotary Ivory City Mysuru team installed

*The new team of office-bearers of Rotary Ivory City Mysuru for the year 2024-25 was installed recently by Past District Governor Rtn. Abhinandan A. Shetty, Rotary District 3182, at a glittering ceremony held at Hotel Southern Star in city. Seen are (sitting from left) Assistant Governor Rtn. Dr. K.A. Prahlad; Club Secretary Rtn. Shobha Nagaraj; President Rtn. K. Shashidhar; Installing Officer Rtn. Abhinandan Shetty; Immediate Past President Rtn. T.H. Sanjay Urs; Immediate Past Secretary Rtn. Shabana Iftekhar; Zonal Lieutenant B.G. Nagaraj; (standing from left) Joint Secretary Rtn. Iftekhar Ahmed; President-Elect 2025-26 Rtn. Keshav Kanchan; Vice-President Rtn. M.K. Mukesh; Youth Service Director Rtn. Mamtha Shashidhar; International Service Director Rtn. Thein Perumal; Community Service Director Rtn. Jyothi Mukesh; Club Service Director Rtn. # Rotary Club of Midtown

## Periyapatna bags Platinum Plus Award

Bylakuppe, July 16 (BRR)- Rotary Club of Midtown Periyapatna, under the leadership of Rtn. Rajegowda, bagged Platinum Plus Award in the Rotary District Award Function held at Mysuru recently.

This Award was announced after due evaluation and consideration of the various Social Services done by Rajegowda as President in the category of Community Service, Club Service, Vocational Service, International Service and Youth Service for the year 2023-24.

In the Rotary year 2023-24, Rajegowda launched 138 projects under the above said categories by spending Rs. 27 lakh with the contribution of various donors and members.

Rotary District 3181 consists of 4 Revenue Districts — Dakshina Kannada, Kodagu, Mysuru and Chamarajanagar — comprising 188 Clubs.

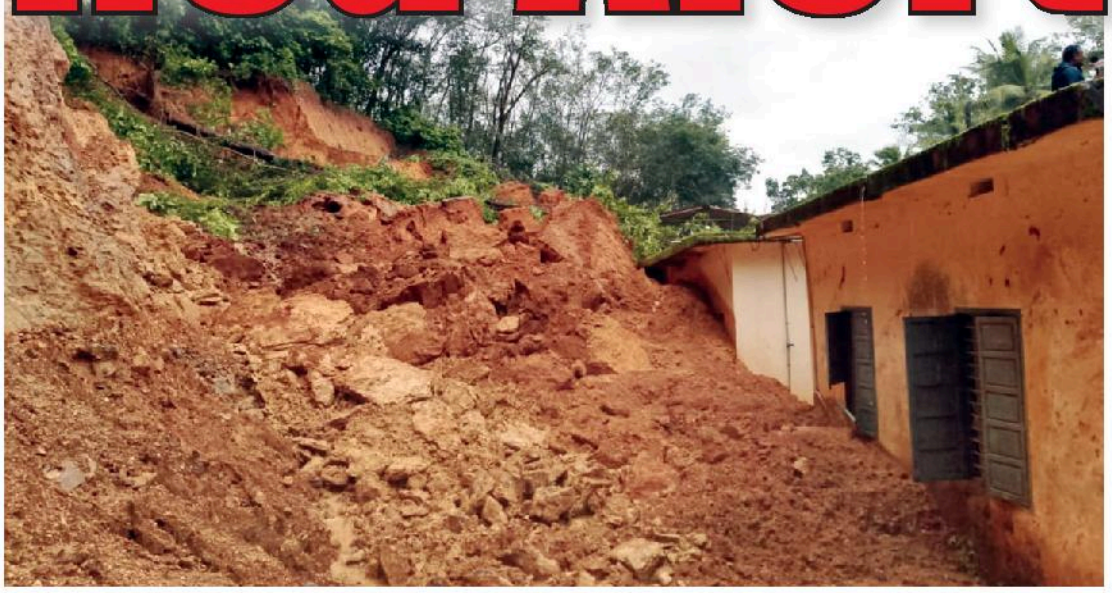
He has thanked Assistant Governor Rtn. Sathyanarayan, Charter President Rtn. B.V. Javaregowda and other members for their valuable support.

Rtn. Sathyanarayana, Rtn. B.V. Javaregowda, Past Assistant Governor, Rtn. I.K.P. Hegde, Secretary, Rtn. Harish, Rtn. Raghu and others were present.

# Installation of Rotary Central Mysore

*The installation ceremony of Rotary Central Mysore was held recently at Hotel Pai Vista in city. Swami Yukteshanandaji Maharaj, Correspondent, Sri Ramakrishna Vidyashala, Mysuru, was the chief guest. Rtn. MPHF Sathish Bolar, District Governor Nominee, RI Dist. 3181, installed the new team for the year 2024-2025. Seen are (sitting from left) Rtn. Samarth Vaidya, Hon. Secretary 2024-25; Rtn. Subramanya R. Tantri, President 2024-25; Rtn. Chethan Vishwanath, guest of honour; Swami Yukteshanandaji Maharaj, chief guest; Rtn. MPHF Sathish Bolar, Installing Officer; Rtn. N. Umesh, Immediate Past President; Rtn. Prem Sagar, Immediate Past Secretary; (standing from left) Rtn. Vijendra, Vice-President; Rtn. PDG A.R Ravindra Bhat, Sergeant-At-Arms; Rtn. Antony Moses, President-Elect; Rtn. Anil Padki, Advisor; Rtn. Guruprasad, Editor; Rtn. Sachidananda Murthy, Director - Youth Service; Rtn. M.S. Jayaprakash, Director - International Service; Rtn. S.R. Swamy, Director - Community Service; Rtn. Dinesh, Treasurer; Rtn. Arun, Director - Vocational Service; Rtn. Jyothi Ashok, Director - Club Service; Rtn. Rajani, Joint Secretary and Rtn. Vivek, Mentor.*

# Heavy rainfall in Kodagu triggers Red Alert



*Landslide at the Government School in Koynad.*

*A view of the house that collapsed in Maragodu village, Madikeri.*

Madikeri, July 16 (AG,PS& BCT)- Kodagu district has been experiencing heavy rain for the past two days and **a Red Alert has been declared till the morning of July 17.** The India Meteorological Department reiterated its red alert for the south interior Karnataka, warning of more rains.

The heavy rainfall has created a chilly atmosphere, significantly reducing the movement of people. As a precautionary measure due to the incessant rains and the forecast of more to come, all schools, colleges and Anganwadis have remained closed for the last two days.

The monsoon has significantly intensified, resulting in a substantial increase in water inflow into the reservoirs downstream of the catchment areas. The Cauvery River is in spate and precautionary steps have been taken in Kushalnagar, Siddapura, Karadigodu and Murnad due to the rising water levels.

## Punarvasu rain

In all, there are 13 rain constellations namely *Krithika, Rohini, Mrigasira, Ardra, Punarvasu, Pushya, Ashlesha, Magha, Purva, Uttara, Hasta, Chitra* and *Swati*. It is the *Punarvasu* constellation that is lashing across Kodagu now.

Shanthalli, Bhagamandala, Somwarpet, Madikeri, Suntikoppa, Napoklu, Shanivarasanthe, Ponnampet, Srimangala, Kutta, Sampaje and several other places reported heavy rains in the last 48 hours. The water level at the Triveni Sangam in Bhagamandala has risen, flooding the entire vicinity along with the bathing ghat.

Officials from Taluk Administrations of Madikeri, Virajpet, Ponnampet, Kushalnagar and Somwarpet have been inspecting several rain-affected villages to assess the damage to homes and properties caused by the torrential downpours and fallen trees.

## Landslide at Koynad School

In Madikeri, continuous rainfall has filled the main temple tank of the Shri Omkareshwara Temple. If the rain continues, there is a possibility that the water will rise to the Temple steps. There has been a landslide at the Government School in Koynad, causing significant damage to the school building and classrooms. This is the second time that the earth has caved in behind the school.

There is a possibility of the main road connecting Napoklu to Murnad being cut off. This morning, the Cauvery River overflowed by half a foot onto the main road connecting Napoklu and Murnad at Boli Bane, but there are no disruptions to vehicle traffic yet.

## Loss of property

In Suntikoppa, a tree fell on the house of Emmegundi resident Devaraj last night due to rain and wind, causing damage. Fortunately, the residents escaped unharmed. Prasad Kuttappa, a member of the village panchayat who visited the site, helped in removing the fallen tree.

In Bhagamandala, people have been without electricity for the past two days, disrupting daily life. The BSNL tower is down, causing mobile network disruptions. Trees have fallen, and electric poles have broken on the Madikeri-Bhagamandala-Napoklu roads.

Officials and staff from CESC and the PWD are conducting clearance operations. Heavy rainfall occurred yesterday in the Brahmagiri area. If the rainfall continues, there is a possibility that Bhagamandala will be cut off in the next two hours. The park developed at Triveni Sangama at Rs. 5 crore has once again been submerged, potentially wasting money.

## Cauvery in spate

Due to the heavy downpour, the water level in the Cauvery River has risen, creating a flood situation. The Cauvery River, which flows under the Bethri Bridge on the Virajpet-Madikeri Road, is likely to flow over the bridge. If there is an overflow, the only road connection between Virajpet and Madikeri will be cut off.

In Maragodu village, the house belonging to M.K. Annu was completely damaged by the rains. Tahsildar Praveen and others visited the house and the family has been relocated. A minor landslip occurred behind the house of Latha in Maragodu.

The wall of Basavaraj's house in Madapattana was damaged in the rains. Tahsildar Kiran Gowraiah visited the village with revenue officials. The house of Gowramma Karumbaiah in Devarakolli, Bettattur of Bhagamandala Hobli, was damaged after a tree fell on it.

Tahsildar Ramachandraiah visited Karadigodu village due to the rising water level of the Cauvery. Barricades have been placed and a Police officer deployed to prevent people from approaching the River as a precautionary measure.

In M. Badaga village, Murnad Hobli of Madikeri taluk, the house of H.P. Dinesh was partially damaged after a tree fell on it. The Tahsildar visited the hanging bridge at Kanive near Kushalnagar, where the Cauvery is in spate.

# 25,000 cusecs of water released from Kabini

## Hadinaaru Kaalu Mantapa, bathing ghat in Nanjangud taluk submerged

H.D. Kote, July 16 (OSR)- Over 25,000 cusecs of water is being released from the Kabini Dam in H.D. Kote, prompting a warning for residents living downstream to move to safer locations. This precautionary measure aims to ensure the safety of the Dam.

The increase in outflow is due to heavy rains in the upstream areas of the Dam and the catchment area of Kabini, which includes the Wayanad region of Kerala. As of today, the water level stood at 2,282.36 feet (18.46 thousand million cubic feet), compared to the full reservoir level of 2,284 feet.

Currently, 25,000 cusecs of water is being released through the four crest gates of the dam. Today, the inflow reached 22,840 cusecs and this figure is expected to rise as heavy rains continue in both Kerala and the Kodagu Brahmagiri Hill ranges, which contribute to the inflow.

The Hadinaaru Kaalu Mantapa and the bathing ghat in Nanjangud taluk are submerged in the swollen Kapila River due to the release of water from the Kabini Reservoir.

*Hadinaaru Kaalu Mantapa being submerged in Kapila River.*

Additionally, the Soolekatte Bridge in front of the Dam is submerged, disrupting traffic movement from Hand Post to Begur via Bidarahalli, Theranimanti, Nanjanathapura, Kandegaala, Mosarahalla, Basapura, Kalasur, Kenchanahalli, Moorbandh, Bheemanakolli, N. Begur, Jakkalli, Beeramballi and Gandethoor.

Meanwhile, Karnataka State Natural Disaster Monitoring Centre (KSNDMC) has issued a forecast for widespread moderate to heavy rains in Kodagu and in Kerala districts of Idukki, Malappuram, Kozhikode, Wayanad, Kannur and Kasaragod.

Dam officials have indicated that more water will be released in the coming days if the downpour continues. As a result, River Kapila will be in full spate, potentially causing flooding in areas around the famous Srikanteshwaraswamy Temple in Nanjangud, Lord Parashurama Temple and the bathing points for devotees, such as Hadinaaru Kaalu Mantapa, Sopana Katte and Mudikatte.

## WORD OF THE DAY

### Limpid

**Pronunciation:** LIM-pid (Adjective)
**Meaning:** Limpid describes things that are perfectly transparent or clear, or that are simple in style.
**Origin:** Let's clarify a few things about limpid. Since the early 1600s, this word has been used in English to describe things that have the soft clearness of pure water. The aquatic connection is not incidental; language scholars believe that limpid probably traces to lympha, a Latin word meaning "water." (That same Latin root is also the source of the English word lymph, the term for the pale liquid that helps maintain the body's fluid balance and that removes bacteria from tissues.) While limpid was used originally to describe liquids free of visible, cloudy material, it didn't take long for the word to gain its figurative sense of "clear and simple in style." And despite its similarity to the unrelated adjective limp — which can be used to describe writing, for example, that lacks spirit or oomph — limpid carries no such negative connotations.
**Example:** "The movie's opulent sets and Giuseppe Rotunno's limpid cinematography transmit a palpable yearning for the gilded palaces and gala balls of a bygone era." — Mark Olsen, The Los Angeles Times, 7 June 2024

## THE ODD WORD

### Voorpret

Pre-fun, the sense of enjoyment felt before a party or event takes place.

## PHRASE OF THE DAY

### Get Over It

**Meaning:** The phrase "Get Over It" means to accept something that happened in the past and move on.
**Origin:** When we talk about "Getting over it," we're discussing finishing something – be that an illness, an emotional upset, or something else entirely. The origin of the phrase "Get over it" is attested to use of the word "over" as a late 14th century meaning for "recover from." The term is first seen in literature in John Behervaise's Thirty-six Years of Seafaring Life published in 1839, referencing an amputation: "Such was his state that no one supposed he could ever get over it."
**Example:** Danny — "I'm really bummed that I lost the game last night" Rosa — "You need to get over it and focus on winning today's game."

## QUOTE BOX

I have no money, no resources, no hopes. I am the happiest man alive.

**—Henry Miller**

## RIDDLE THIS

You see a boat filled with people. It has not sunk. But when you look back, you don't see a single person on the boat. Why?

*Answer: All the people on board are married.*

## CROSS WORD

**ACROSS:**

1 To Be Determined

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

## CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

**OBKFK HT MDVMAT GEK NGNKEO HE WBHDPBGGP**

# Support private hospitals over opening new ones

## BHIO Chairman Dr. B.S. Ajaikumar tells Government while inaugurating National Cancer Care Summit- 2024

Mysuru, July 16 (GA&TRR)- Dr. B.S. Ajaikumar, Executive Chairman and Founder of HCG Bharath Hospital & Institute of Oncology (BHIO), Mysuru, stated that rather than opening new cancer hospitals and wasting public funds, the Government should support and collaborate with private hospitals.

He made this statement while inaugurating the two-day National Cancer Care Summit-2024 on 'Changing Dynamics in Cancer Care,' organised by BHIO at a private hotel in city recently.

"Most cancer patients now rely more on private hospitals than Government ones, as private hospitals provide treatment under various Government health schemes like Ayushman Bharat and others. Instead of opening new hospitals and wasting public money, the Government should provide facilities to cooperate with private hospitals and monitor them. This will benefit everyone, including patients," said Dr. Ajaikumar.

He mentioned that he had discussions with Health Minister Dinesh Gundurao and has proposed this idea to the State Government. Dr. Ajaikumar, who is also part of the Parliamentary Health Committee, assured that he would bring this issue to the committee members' attention and advocate for 'Universal Healthcare for All', similar to systems in the US and Brazil where private hospitals are monitored by their respective governments.

Recalling the early days of BHIO, Dr. Ajaikumar noted that the hospital had to operate without any Government support, even using generators as the Government didn't provide a power connection.

Despite these challenges, BHIO has adopted the latest technology, provided quality cancer treatment, and earned public trust. Dr. Ajaikumar emphasised that with Government support, BHIO could expand its services to other parts of the State.

Over the past 35 years, BHIO has treated more than 70,000 patients and performed over 25,000 surgeries. The hospital is now set to start robotic surgery, which will minimise patients' hospital stays, he said.

Dr. Shekar Patil, Dr. Y.S. Madhavi, Dr. Srinivas, Dr. Kavitha, Dr. Vijayakumar, Dr. Vinayakumar Muttagi and Gowtham Dhamerla, COO of BHIO, were present on the occasion. Approximately 70 papers were presented during the summit.
